

770C UPRIGHT BIKE

SUPERIOR DESIGN, OUTSTANDING QUALITY

The Cybex 770 series bikes are the most unique in the industry. Designed to provide uncompromising performance and results, and engineered with rugged durability to withstand the demands of a commercial gym floor. Whether used to train for a triathlon or to take the first steps towards better fitness, the Cybex 770C offers distinct and compelling ways to improve your members' fitness experience.

USER FRIENDLY TECHNOLOGY

The standard CardioTouch™ touchscreen display offers a single command center for every exercise workout and entertainment control. Your members can easily set up a workout, charge an iPod® or iPhone®, scroll through playlists, albums, artists, podcasts, and more. Optional technology features include the embedded MYE wireless audio receiver and the E3 View high definition monitor which offers three viewing modes on a 15.6" embedded display. Exercise is more fun with the latest technology from Cybex.

1 Standard Display

Exercise.

Entertainment.

Escape.

2 E3 View Optional Display
